

HOLOGIC®

The Science of Sure

CERTIFICATE OF EXCELLENCE

Awarded to

BIOPTICKÁ LABORATOŘ S.R.O.

In Recognition of outstanding clinical leadership, innovation, and commitment to advancing cervical health diagnostics.

This designation recognizes **Bioptická laboratoř s.r.o.**

as an official **CENTER OF EXCELLENCE FOR HOLOGIC CERVICAL HEALTH SOLUTIONS.**

As one of Europe's leading and most advanced pathology providers, Bioptická laboratoř demonstrates exceptional dedication to diagnostic precision and technological innovation through the integration of:

- **Genius™ Digital Diagnostics:** The first **FDA-cleared and CE-marked** digital cytology platform combining volumetric imaging with advanced AI-powered deep learning.
- **ThinPrep® Integrated Workflow:** A fully automated and standardized liquid-based cytology system ensuring optimal specimen quality and diagnostic accuracy.
- **Molecular Diagnostic Synergy:** Seamlessly integrating Aptima® mRNA HPV testing to provide a comprehensive and clinically advanced screening portfolio.

Through continuous investment in state-of-the-art infrastructure, digital transformation, and professional education, **Bioptická laboratoř** sets a benchmark for excellence in women's health diagnostics across Europe and globally.

Leading automation and assays for every cervical screening algorithm
